

PROGLOVE

# Wearable Scanner Family

Smallest and lightest  
wearable scanners  
on the market

Save up to  
6 seconds per scan,  
right away

All scanners can be  
paired with any of the  
3 wearables variations

Choose between a display,  
scan ranges, and your  
operational needs

Compatible with your  
OS (Android, Windows,  
Linux, iOS)

Human-centered design  
makes it easy to wear  
all day and easier to use
