

Improving profits, inside and out

You help your customers get the most out of every day. MobileDemand wants to help make that easier for you with a new mobile point-of-sale solution. Moving customers through the ordering and payment process faster means happier customers and more sales for you.

We bring you a cost-effective, flexible solution to increase customer satisfaction and sales.

LINE BUSTER TABLET KIT

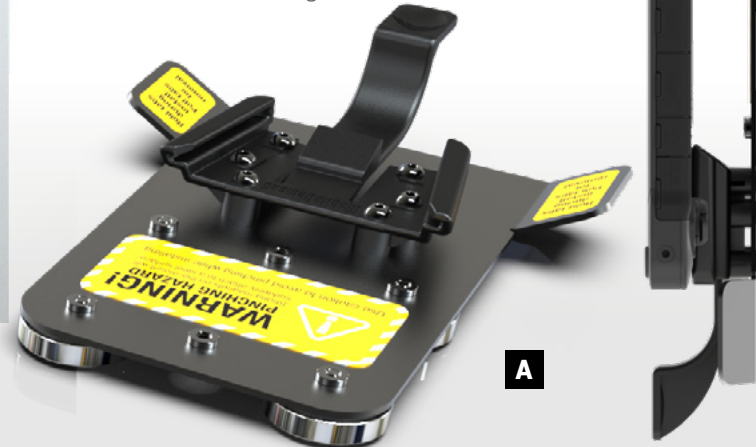

The Line Buster Tablet Kit enables you to:

- ▶ Work inside or out with sunlight viewable screen
- ▶ Rest easy about a tablet being dropped and damaged with its proven rugged technology
- ▶ Work in different areas with mobile or fixed mounting solutions
- ▶ Work continuously due to a long-lasting, easy-to-charge battery
- ▶ Track inventory through integrated barcode imaging
- ▶ Accept loyalty rewards and coupons from the device even if you're mobile
- ▶ Provide better customer service with quicker ordering and safe and secure payment

MAGNETIC MOUNT

MobileDemand's industrial strength magnetic mount provides a safe, secure and versatile mounting solution. No drilling required, just attach, detach and go.
