Delivering Rugged Tab K10 Protection

MobileDemand's industrial rugged xCase for Lenovo's Tab K10 is opening the door to exciting new possibilities. From quick serve restaurants, retail, and healthcare to more demanding manufacturing and warehousing industries, the xCase delivers the real world ready protection you can rely on to achieve more.

PROVEN PROTECTION

The xCase's ingenious shock absorbing rubber corner bumpers, ridged shell and sealed buttons and ports combine to offer unmatched device protection. Proven ruggedness is achieved through rigorous Military STD-810H drop testing, consisting of 26 drops to all sides and surfaces from 10 feet.

MOUNTING MADE EASY

Nearly limitless mounting options are made possible thanks to the snap mount plate included with each xCase. When used in conjunction with MobileDemand's patented Quick Release Snap Mount System, mounting to desks, walls, vehicles, forklifts, tripods and so much more is simply a snap!

CONVENIENT FEATURES

Convenient easy carry features come standard with every xCase, including a briefcase handle and back hand strap. Adjustable easel, stylus holder and tether can be purchased separately.

EXPAND PRODUCTIVITY

Forward thinking modular design is engineered to work with several productivity-enhancing tools including shoulder straps, easel, stylus holder, and more. The xCase grows with its user's needs, expanding functionality and usefulness.

Rugged xCase for Lenovo

Providing real world rugged protection for the Tab K10

Unparalleled durability and protection is achieved by an innovative two-piece design. The combination of a PC/ABS hard plastic outer shell and an impact-resistant silicone rubber boot fully encases the Tab K10, enabling it to pass the Military STD-810H drop test, while sealed ports and buttons add yet another level of protection against dust and water. It all adds up to exceptional device protection and peace of mind.
